**OFFICE OF PETITIONS**

In re Application of  
Kim  
Application No. 10/623,567  
Filed: July 22, 2003  
Attorney Docket No. 120161.402

**DECISION ON PETITION**

This is a decision on the petition under 37 CFR §1.137(b), filed May 4, 2007 to revive the above-identified application.

This application became abandoned for failure to timely submit corrected drawings, as required by the Notice of Allowability which was mailed December 20, 2006 and set a 3 month period for reply. Extensions of time were not available under 37 CFR §1.136(a). Accordingly, this application became abandoned on March 21, 2007. A Notice of Abandonment was mailed on April 25, 2007.

The requirements for a grantable petition under 37 CFR §1.137(b) have been met. This petition is hereby **Granted**.

It is not apparent whether the person signing the statement of unintentional delay was in a position to have firsthand or direct knowledge of the facts and circumstances of the delay at issue. Nevertheless, such statement is being treated as having been made as the result of a reasonable inquiry into the facts and circumstances of such delay. See 37 CFR 10.18(b). In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that it is not correct that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional, petitioner must notify the Office.

The Office acknowledges receipt of corrected drawings submitted with the instant petition.

This application is being forwarded to the Office of Patent Publication for processing into a

patent.

Telephone inquiries concerning this matter should be directed to the undersigned at (571) 272-3215.
